We prefer the smaller, more elegant alternative . . .

Ars vivendi, the art of enjoying life:

That's our philosophy and our agenda as well. We will make it possible for you to forget the stress of everyday life while playing golf on beautiful courses. We will reserve a room in a hotel that meets your demands for quality and exclusivity, and we will recommend restaurants that have impressed us with their typical local specialty cuisine.

We will take you off the beaten track to destinations you won't find in standard travel catalogues. When in doubt, we will select the smaller, more elegant alternative, to make sure you will be treated to premium quality at a preferred rate

Of course our service is of the quality you would expect from a premium travel agency. Your personal travel consultant will provide advice and assistance from the very outset – on the telephone or by email, and in a personal meeting on request.

Fascinating courses, excellent hotels.

Even a brief period of time can be enough to get away from it all and switch off, to relax and enjoy – as long as the conditions are right.

You only have time for a quick weekend trip? No problem. In the rustic hills and mountains of the Eifel region or in romantic Flanders there are golf paradises that are sure to inspire you, just waiting to be discovered. And outstanding accommodation – from historic mansions to the most modern of luxury hotels.

If our guests have a little more time on their hands, we will be happy to introduce them to other dream destinations in Europe, for example the loveliest greens on the green island of Ireland, luxurious castles in Brittany, the sun-drenched beaches of the Algarve ...

No matter which destination you choose, we will be there for you, doing everything possible to make your golfing holiday an unforgettable experience.

Forget the winter among the palm trees.

Dreary autumn weather is no reason for giving up your favourite sport. Simply say goodbye to the grey skies of central Europe!

How about a round of golf under the palm trees – for example, in the exotic kingdom of Thailand? The ‘Land of Smiles’ is famous for its hospitality, unique natural wonders and cultural monuments. And the golf courses, set amid breathtaking landscapes, are among the most beautiful anywhere in Asia.

Another alternative: Exchange autumn fog for the sunshine of spring – in South Africa, where some 400 first-class courses are waiting for you! Enjoy a round of golf with a view of the intriguing Table Mountain range, get to know the loveliest wineries along the legendary Garden Route, visit an ostrich farm or picturesque African handicraft markets!

All you have to do is talk to us. We’ll be happy to inform you about the details – and about additional destinations all over the world. You can reach us by telephone at + 49 (0) 22 56 - 95 77 90.
